

# Hanasaki MV3000 4T Motorcycle Oil SAE 10W-40

*Superior Performance Four-Stroke Motorcycle Engine Oil*

## Product Description

Hanasaki MV3000 4T Motorcycle Oil SAE 10W-40 is a superior performance multigrade engine oil specially designed for use in modern high-speed and high-revv 4-stroke motorcycle engines. Formulated with advance Japanese additive technology and high-quality hydro-refined base oils, MV3000 offers ultimate engine protection to motorcycle engines operating under very severe conditions.

**Hanasaki MV3000 4T Motorcycle Oil SAE 10W-40 provides the following benefits to its users:**

- 1) Excellent protection to engine and transmission against wear
- 2) Outstanding engine deposit control
- 3) Ultimate protection against engine rust and corrosion
- 4) Exceptional thermal and oxidation stability
- 5) Outstanding viscosity control
- 6) Ultra-smooth gearshift and clutch performance
- 7) Excellent low temperature properties
- 8) High compatibility with rubber parts in engines (gasket and seal)
- 9) Extended service life

## Performance Standards

API SJ, JASO MA/MA2

## Typical Properties

|                                          |        |
|------------------------------------------|--------|
| SAE Grade                                | 10W-40 |
| Viscosity @ 40°C (ASTM D445) , cst       | 105    |
| Viscosity @ 100°C (ASTM D445) , cst      | 14.7   |
| Viscosity Index (ASTM 2270)              | 145    |
| Total Base Number (ASTM D2896) , mgKOH/g | 7.5    |
| Pour Point (ASTM D97) , °C               | -33    |
| Flash Point (ASTM D92) , °C              | 220    |
| Density @ 15°C (ASTM D4052) , kg/l       | 0.851  |

## Health and Safety

Based on available information, this product is not expected to produce adverse effects on health when used for the intended applications and the recommendations provided in the Material Safety Data Sheet (MSDS). MSDS is available upon request through your sales contact at Hanasaki. This product should not be used for purposes other than its intended use. When disposing of used product, please take care to protect the environment.
